Experience

KRAYONNZ ↗ (BDA)

📅 June 2022 – Aug 2022 📍 Gurgaon

- Improved communication and presentation skills by regularly interacting with team members and effectively updating stakeholders on project progress.
- Managed and mentored a team of 16-17 interns serving as Campus Ambassadors, providing leadership and training to ensure successful completion of their internships.

Projects

FOOD DOLE ↗

HTML | CSS3 | BOOTSTRAP | EJS | NODE.JS

- Collaborated with the team as a Frontend Developer, a web platform aimed at reducing food waste by connecting donors with surplus food to those in need, a channel for food donation to the underprivileged.
- Developed an intuitive interface for users, implemented create, read, update and delete operations, contributing to the cause of fighting hunger and promoting food sustainability.
